ANOTHER FEATHER IN OUR CAP!!

CDG Petchem Limited ties up with M/s KCC Corporation, South Korea as Importer & Pan India Distributor for PU & Silicon Sealants and PU Foam

Hyderabad, dated 01-09-2020. CDG Petchem announces the successful Business Association with South Korea's one of the leading global PU(Polyurethane) and Silicone Sealant manufacturers **KCC Corporation** as their **Importer & Pan India Distributor**.

About CDG Petchem Limited : BSE : 534796

CDG Petchem Limited manufactures wide range of technical fabrics in its state-of-an-art facility. CDG is also involved in import and distribution of various construction chemicals & plasticizers, additives, minerals and plastic raw material.

About KCC Corporation

KCC Corporation is the sole all-encompassing sealant manufacturer in Korea, offers a wide range of economical yet high-quality sealants including silicone sealants, polyurethane sealants, polysulfide sealants, modified silicone sealants and acrylic emulsion sealants under the brand, KORESEAL, altogether working towards developing eco-friendly products and achieving customer satisfaction.

Products CDG will import and supply

PU (Polyurethane) / Silicone Sealant & PU Foam - Construction & Infra Adhesives

They are basically insulating and grouting material used for sealing, filling gaps, keeping water and air away from joints, absorbing the natural movements of building materials and increasing aesthetics.

Industry: Construction, Infra, Interior & Exterior Designers, Electronic, White Goods

The Company is and has been facing the COVID-19 situation and now with the spirit of self-reliance, that is evident in the fact that from zero production, CDG is now working on the plan to manufacture the above products in India, as it rises up to challenges and uncovers opportunities therein, as manifested in the re-purposing of the industries to collaborate and in the making of the above said product.

The clarion call given by the Hon'ble PM to use these trying times to become Atmanirbhar (self-reliant) has been very well received by the company to enable the resurgence of the Indian economy.
